

# Illinois Credit Union Foundation Annual Golf Classic Wednesday, July 26, 2017

Dear Credit Union Friend:

The Illinois Credit Union Foundation has a long tradition of serving the credit unions of Illinois spanning three decades. Since 1978, the ICU Foundation has provided scholarships for credit union-related education, grants to small credit unions to help them remain viable, and grants to charities for service projects that benefit local communities.

Founded in 1978, the Illinois Credit Union Foundation Mission is "**to promote the self-help ideals of credit unions through grants, scholarships and cooperative partnerships.**" In addition, the ICU Foundation is an active sponsor of the "Credit Unions for Kids" program which benefits the Children's Miracle Network and the dynamic PBS series "Biz Kid\$" which teaches young people financial literacy and business concepts. To continue with our quality programs, we need your help in raising funds.

We invite you to the Foundation's dual competition where you can choose between a "**GOLF SCRAMBLE**" or "**INDIVIDUAL PLAY**." You will have the opportunity to meet credit union friends, peers, and associates as well as to have a day of relaxing fun on the golf course. Please take a moment to fill out the enclosed registration form with your team members and reserve your spot in our line-up of golfers. All skill levels are welcome!

Your presence will help make this year's event a success. As always, credit unions are "**People Helping People.**"

Sincerely yours,

*Mike Lee*

Mike Lee  
ICU Foundation Chairman
