2017 HIKE THE HILL

Washington, DC
September 13 - 14, 2017

July 7, 2017

In an effort to maintain and enhance our credit union political and regulatory effectiveness in Washington, D.C., we have scheduled a “fly-in/fly-out” Washington, D.C. “Hike the Hill” for September 13, 2017 - September 14, 2017. ICUL’s annual Congressional “Hike the Hill” event is intended to bring a small group of politically active credit union officials to Washington, D.C. The purpose of our visit is to better acquaint lawmakers, regulators and their staff with credit unions and explain why credit unions should not be caught-up in any legislation or regulation that has the unintentional consequence of negatively impacting credit union members.

Our success over the years has been due in large part to organized events to educate lawmakers and regulators about credit unions. This year’s “Hike the Hill” is an opportunity to shape the debate on credit union issues, to ensure federal lawmakers know the impact of legislative and regulatory proposals on your members.

I hope your schedule will allow your participation. Attached is a tentative agenda. Please complete the enclosed Illinois Delegation registration form and remit your \$125 participant registration fee (\$75 per guest fee) to Debbie Bindler on or before Friday, August 18, 2017.

For further information, please contact the Governmental Affairs Department: [Keith Sias](#), [Pat Huffman](#), or [Debbie Bindler](#). We appreciate your continued support and participation in our programs. Look forward to seeing you in Washington!

Best,
